THE INSURANCE CONTRACT

In return for payment of the premium, and subject to the terms, conditions, exclusions and

Endorsements of this **Policy**, **We** agree to provide the cover shown in the **Policy Schedule**

during the **Period of Insurance**.

Where cover applies, **We** will:

- provide the benefits described in this **Policy** for the **Insured Incidents** shown in the

Policy Schedule; and

- pay **Adviser's Costs and Expenses** and, where applicable **Alternative**

Accommodation Costs and **Storage Costs** up to the applicable **Maximum Amount**

Payable.

All cover provided under this **Policy** is subject to:

- the **Eligibility Requirements**;
- the **Minimum Referencing Requirements**;
- the **General Conditions**;
- the **General Exclusions**; and
- the specific terms, conditions, exclusions and limits applicable to the relevant **Insured**

Incident as set out in this **Policy**. **PARTIES TO THE INSURANCE CONTRACT**

This **Policy** is a contract between **You** and **Us**.

You may appoint a **Letting and Property Managing Agent** to act on **Your** behalf in relation to

the **Insured Property** and this **Policy**. However, the **Letting and Property Managing Agent** is

not a party to this **Policy** and does not have any rights under it unless **We** agree otherwise.

Where a **Letting and Property Managing Agent** is acting on **Your** behalf, **We** may accept

information, notifications, instructions and other communications from them as if they had

been directly provided by **You**. This authority is limited to acting as **Your** representative in the

administration of the **Policy** and any claim. It does not make the **Letting and Property**

Managing Agent the policyholder or insured, nor does it give them authority to give up **Your**

rights, settle claims, accept reduced settlement offers, withdraw claims, waive rights under

the **Policy**, or make other decisions that are reserved to **You** as the **Policyholder**, unless **You**

have expressly authorised them to do so.

Where **You** appoint a **Letting or Property Managing Agent**, **You** should take reasonable steps

to ensure they are made aware of, and act in accordance with, the requirements of this

Policy relating to the management of the **Insured Property** and the handling of claims.

Information known by Your **Letting or Property Managing Agent** acting on **Your** behalf in

connection with the management of the **Insured Property** may be treated as known by **You**.

PERIOD OF INSURANCE

Period of Insurance

The period during which this **Policy** remains in force, as shown in the **Policy Schedule,**

including any renewal, continuation, replacement or successive period of cover agreed by **Us**.

Renewal and Continuation

The dates on which cover begins, and ends are shown in the **Policy Schedule.**

Subject to payment of premium and compliance with the terms and conditions of this **Policy,**

cover may continue, renew or otherwise remain in force in accordance with the

arrangements agreed between **You** and **Us** from time to time.

We are not obliged to offer renewal of this **Policy**.

A continuation or renewal of this **Policy** will not be treated as:

- the start of the first **Period of Insurance**;
- a new **Tenancy**; or
- the **Cover Commencement Date** for an **Insured Property**,

unless this **Policy** expressly provides otherwise.

Any **Tenancy** that was covered immediately before a continuation or renewal will continue to

be treated as an existing **Tenancy** for the purposes of this **Policy**.

A continuation or renewal of this **Policy** will not, of itself, trigger any **Eligibility Requirement,**

Minimum Referencing Requirement or other provision that applies only when cover is first

arranged for an **Insured Property**, unless this **Policy** expressly provides otherwise.

If cover ends and a new **Policy** is subsequently arranged, the new **Policy** will be treated as a

separate contract of insurance and the terms, conditions, exclusions, limits and **Eligibility**

Requirements in force at that time will apply.

ELIGIBILITY REQUIREMENTS

The following Eligibility Requirements apply throughout the **Period of Insurance** and are conditions of cover.

If an **Insured Property**, **Tenant** or **Guarantor** does not meet the applicable **Eligibility Requirements**, cover will not apply to that **Insured Property**, **Tenant** or **Guarantor**.

A failure to meet the **Eligibility Requirements** for one **Insured Property**, **Tenant** or **Guarantor** will not invalidate this **Policy** or affect cover for any other **Insured Property**, **Tenant** or **Guarantor** that meets the **Eligibility Requirements**.

1. Lawful Letting

You must not be subject to any suspension, prohibition, banning order or other restriction that prevents the lawful letting of an **Insured Property**.

At the **Cover Commencement Date** and at the start of each **Tenancy Agreement,** the **Insured Property** must be capable of being lawfully let and occupied in accordance with applicable legal requirements.

2. Compliance with Legal Requirements

You must comply with the legal and regulatory requirements that apply to the letting and management of the **Insured Property** during the **Period of Insurance**. This includes any changes to those laws and regulations, and any new laws or regulations that come into force during the **Period of Insurance**.

Where applicable, this includes:

- **Right to Rent Requirements**;
- **Deposit** protection requirements, including protecting any **Deposit** within the required timescales and providing any required prescribed information required by law within the required timescales;
- property licensing requirements;
- gas safety requirements;
- electrical safety requirements;
- energy performance requirements; and
- providing any statutory tenancy documents required by law.

If **We** reasonably request it, **You** must provide evidence of compliance where it is relevant to a **Claim**.

We will not decline a **Claim** solely because of a breach of a legal or regulatory requirement unless:

- the breach is relevant to the **Claim**; or
- the breach materially increases the risk of the loss, liability or dispute giving rise to the **Claim**.

Where compliance with a legal or regulatory requirement is relevant to a **Claim, We** may decline the **Claim** if **You** are unable to demonstrate compliance and this materially affects **Our** ability to determine whether cover is available under this **Policy.**

3. Eligible Properties and Tenancies

Eligible Properties

The **Insured Property** must:

- be located within the **Territorial Limit**; and
- be intended to be lawfully occupied as a private residence.

Eligible Tenancies

The **Insured Property** must be let under a legally valid and enforceable residential **Tenancy Agreement** governed by the laws of the **Territorial Limit**, including any amendment, replacement, re-enactment or successor legislation.

Eligible **Tenancy Agreements** include, but are not limited to:

- residential tenancies governed by residential tenancy legislation applicable in England from time to time;
- tenancies governed by the Housing (Scotland) Act 1988 or Private Residential Tenancies under the Private Housing (Tenancies) (Scotland) Act 2016;
- tenancies governed by the Private Tenancies (Northern Ireland) Order 2006;
- occupation contracts governed by the Renting Homes (Wales) Act 2016; and
- Company Residential Tenancy (Company Let) created after 28 February 1997 where:
  - the **Tenant** is a public limited company (plc), limited company (Ltd) or equivalent corporate body within the **Territorial Limit**; and
  - the property is occupied solely for the residential use of the **Tenant's** employees, or other authorised personnel and their immediate families.

4. Deposit Requirements

Before the start of the **Tenancy Agreement**, either:

- a **Deposit** must be collected and protected in accordance with applicable legislation;

or

- an **Approved Deposit Alternative** accepted by **Us** must be in place.

Where a **Holding Deposit** is taken, it must be handled in accordance with applicable

legislation, and **You** must retain records demonstrating compliance with those requirements.

Where a **Deposit** is taken, **You** must retain evidence that it has been protected in accordance

with applicable legislation.

Any **Claim** for damage to the **Insured Property** will be subject to evidence that reasonable

steps have been taken to recover the loss from the **Deposit** or **Approved Deposit Alternative**,

where applicable.

A **Tenancy** that is not supported by either:

- a protected **Deposit**; or
- an **Approved Deposit Alternative** accepted by **Us**,

will not be eligible for cover under this **Policy**, unless **We** agree otherwise in writing.

5. Excluded Occupancy Arrangements

This **Policy** does not apply to any tenancy or occupation arrangement that does not meet

the definition of a **Tenancy Agreement**.

Examples include:

- holiday lets;
- licences to occupy;
- agreements that allow the **Tenant** to let all or part of the **Insured Property** to

someone else without **Your** prior written consent;

- agreements where the **Tenant** or occupier has not met the **Minimum Referencing**

Requirements set out in this **Policy**;

- commercial tenancies;
- mixed-use tenancies; or
- common law tenancies or other arrangements that fall outside the residential letting

legislation referred to in this **Policy**.

A **Tenancy Agreement** will not be excluded simply because it allows the **Tenant** to sublet the **Insured Property** or allow someone else to occupy it, provided **Your** prior written consent is

required.

The **Insured Property** must be occupied as a private residence under a **Tenancy Agreement that meets the Eligibility Requirements of this Policy.**

6. Inventory Requirement

Before the **Tenant** takes occupation of the **Insured Property**, a detailed and dated inventory

and schedule of condition must be completed for the **Insured Property** and its contents.

The inventory must be signed, acknowledged, accepted electronically or otherwise accepted

by the **Tenant** in a way that can be evidenced. **7. Ownership and Permission to Let**

You must own the **Insured Property** or otherwise have the legal authority to let it.

Where the terms of a mortgage, lease or other legal agreement require permission before the

Insured Property can be let, **You** must obtain that permission from the relevant mortgage

lender, freeholder or superior landlord.

We may ask You to provide reasonable evidence of **Your** ownership of, authority to let, or

permission to let the **Insured Property** where this is relevant to a **Claim**.

8. Affordability Requirement

The **Affordability Requirement** is satisfied where a **Tenant** or **Guarantor** has satisfied any

affordability assessment forming part of a **Satisfactory Reference** obtained in accordance

with the **Minimum Referencing Requirements**.

Where **We** have agreed an alternative assessment process with a **Referencing Provider**

approved by **Us,** a **Tenant** or **Guarantor** who satisfies that assessment process will be

deemed to satisfy the **Affordability Requirement.**

9. Higher Rent Properties

Where the monthly **Rent** exceeds **£8,000**, **You** must obtain **Our** prior written approval before

the **Tenancy Agreement** will be eligible for cover under this **Policy.**

We may require such information as **We** reasonably consider necessary to assess the risk,

including details of the **Tenant,** any **Guarantor,** the **Tenancy Agreement** and the **Insured**

Property.

Any special terms agreed by **Us** will be shown in the **Policy Schedule**. **10. Existing and mid-Tenancy Risks**

This **Policy** is intended to be taken out at the start of a **Tenancy Agreement**. However, cover

may still be available where a **Tenancy Agreement** began before the **Cover**

Commencement Date for the **Insured Property**, subject to the requirements below.

Where a **Tenancy Agreement** started more than **7 days** before the **Cover Commencement**

Date, one of the following must apply.

Equivalent Cover

Cover may be available if **Equivalent Cover** was in place immediately before the **Cover**

Commencement Date for the **Insured Property** and:

- there has been no break in cover;
- no claims were made under the previous policy; and
- **You** were not aware of any dispute, incident, circumstance or other matter that

could reasonably have been expected to give rise to a **Claim**.

Existing Tenancies in Force for Less Than 12 Months

Cover may be available if the **Tenancy Agreement**:

- meets the **Minimum Referencing Requirements**; and
- satisfies the **Affordability Requirement**.

Existing Tenancies in Force for More Than 12 Months

Cover may be available if **You** can provide evidence to **Us** to demonstrate that:

- all **Rent** due during the previous **12** months has been paid;
- no **Rent** payment was more than one month overdue during the previous **12**

months; and

- there are no current **Rent** arrears, and no **Rent** payment has been more than one

month overdue during the previous **2** months, unless **We** have agreed otherwise in

writing.

Mid-Tenancy Cover

Where cover for an **Insured Property** shown in the **Policy Schedule** starts during an existing

Tenancy Agreement, **General Exclusion 2 - Existing Tenancies** will apply to that **Insured**

Property.

11. Known Disputes and Circumstances

When cover is first arranged for an **Insured Property, You** must be aware of any dispute,

incident, circumstance or other matter that could reasonably be expected to give rise to a

Claim under this **Policy**.

Please also refer to **General Exclusion 1 – Known Circumstances and Prior Events**.

MINIMUM REFERENCING REQUIREMENTS

You must obtain a **Satisfactory Reference** for each **Tenant** and any **Guarantor** before the

Tenancy Agreement begins.

The reference must be completed no more than **60 days** before the **Tenancy Agreement** is

entered into, unless **We** agree otherwise in writing.

A **Tenant** or **Guarantor** will be treated as meeting the **Minimum Referencing Requirements**

where:

- a **Satisfactory Reference** has been obtained from a **Referencing Provider** approved

by **Us** from time to time; and

- the **Tenant** or **Guarantor** satisfied the referencing and affordability criteria agreed

between **Us** and the **Referencing Provider** that applied on the date the reference was

completed.

The **Affordability Requirement** may be assessed using information obtained through the

Referencing Provider, including:

- income verification reports;
- employment references;
- payslips;
- bank statements;
- accountant's certificates;
- tax returns or self-assessment records;
- pension statements;
- benefit statements; or
- other equivalent documentary evidence reasonably demonstrating income and

affordability.

The referencing and affordability criteria applicable to a reference will be those in force on

the date the reference was completed.

Changes to those criteria after the reference has been completed will not affect the validity

of that reference for the purposes of this **Policy**.

Where **We** have agreed an alternative assessment process with an approved **Referencing**

Provider, a **Tenant** or **Guarantor** who satisfies that assessment process will be treated as

meeting the **Minimum Referencing Requirements**.

For the purposes of any notification requirement or deadline under this **Policy**, the

Notification Date will be the date **We** first receive notice of the **Claim** or potential **Claim.**

The subsequent receipt of information, documentation or other evidence will not alter the

Notification Date.

Insurance where this **Policy** requires notification during the **Period of Insurance**.

there is a **greater than a 50% chance** of achieving the legal remedy, outcome or recovery

being sought.

In possession proceedings, this assessment may take into account the likelihood of obtaining

and enforcing a possession order, and not just the likelihood of success at a final hearing or

trial.

Where reasonably practicable**, You** must consult the **Appointed Adviser** before:

- making any admission;
- entering a guilty plea; or
- taking any action that may materially prejudice the defence of the **Claim**.

D. HOW WE WILL ADMINISTER THE CLAIM

1. Appointment of an Adviser

Where cover applies, **We** will normally appoint a law firm or other suitably qualified

Appointed Adviser to represent **You**.

2. Assessment of the Claim

We and the **Appointed Adviser** will assess:

- whether the matter falls within the scope of this Section; and
- whether there are **Reasonable Prospects of Success**.

Reasonable Prospects of Success must continue throughout any criminal proceedings for

which cover is provided.

3. Ongoing Review

We and the **Appointed Adviser** may review the merits of the **Claim** at any stage.

If **Reasonable Prospects of Success** no longer exist, **We** may stop supporting the **Claim** and

close the **Claim** in accordance with the terms and conditions of this **Policy**.

4. Claim Closure

We will notify **You** when the **Claim** has been concluded.

We may close the **Claim** where:

- the proceedings have been concluded, discontinued or otherwise brought to an end;
- there are no longer **Reasonable Prospects of Success**; or
- **You** fail to comply with a material requirement of this **Policy**.

If **We** stop supporting or close a **Claim**, **We** will explain **Our** decision.

We will confirm any **Claim** closure in writing.

GENERAL EXCLUSIONS

The exclusions below are grouped by topic and apply to all sections of this **Policy**, unless

stated otherwise in a specific section of cover.

Any exclusions that apply only to a specific section will be shown within that section.

We will not provide cover for the following.

CLAIMS THAT ARE NOT ELIGIBLE

1. Known Circumstances and Prior Events

We will not cover any **Claim** arising from:

- any event, incident, circumstance or dispute that existed before the **Cover**

Commencement Date for the **Insured Property;**

- any existing or pending dispute with a **Tenant;** or
- any circumstance that could reasonably be expected to lead to a dispute with a

Tenant,

if, when cover was first arranged for the **Insured Property**:

- **You** knew, or ought reasonably to have known, about the matter; or
- a **Letting or Property Managing Agent** acting on **Your** behalf knew, or ought

reasonably to have known, about the matter,

and it was reasonable to expect that the event, incident, circumstance or dispute might give

rise to a **Claim** under this **Policy**.

This exclusion applies only to **Claims** arising from that event, incident, circumstance or

dispute in relation to the relevant **Insured Property**.

2. Existing Tenancies

A **Tenancy Agreement** may be eligible for cover under **Eligibility Requirement 10 – Existing**

and Mid-Tenancy Risks.

However, unless an exception below applies, **We** will not provide cover for any dispute,

circumstance, or other matter first arising during the first **30 days** following the **Cover**

Commencement Date for an **Insured Property** where the **Tenancy Agreement** commenced

more than **7 days** before that **Cover Commencement Date**.

This exclusion will not apply where:

- **Equivalent Cover** was in force immediately before the **Cover Commencement Date**;
- there has been no break in cover; and
- **You** were not aware of any claim, dispute, incident, circumstance or other matter that

could reasonably have been expected to give rise to a **Claim** under this **Policy**; or

- **We** have agreed in writing that this exclusion does not apply.

COSTS AND PAYMENTS WE WILL NOT COVER

3. Unauthorised Costs and Actions

We will not pay for:

- any **Adviser's Costs and Expenses** or other costs incurred before the **Claim**

Acceptance Date, unless **We** agree otherwise or urgent action was reasonably

required to protect **Your** position;

- any **Adviser's Costs and Expenses** or other costs that have not been authorised by **Us**

or the **Appointed Adviser**; or

- any action taken without **Our** agreement or the agreement of **the Appointed Adviser**

where that action increases the costs of the **Claim** or adversely affects the

Reasonable Prospects of Success of the **Claim**.

4. Recoverable VAT

We will not pay any Value Added Tax (VAT) that **You** are entitled to recover from HM Revenue

& Customs.

5. Fines, Penalties and Awards Against You

We will not pay for:

- fines, penalties or sanctions imposed on **You**;
- compensation, damages or awards that **You** are ordered to pay.

CLAIMS ARISING FROM YOUR CONDUCT

6. Deliberate or Wilful Acts

We will not provide cover for any **Claim** arising from any deliberate or wilful act or omission

by **You** where **You** intended the resulting loss, damage, dispute or legal proceedings, or

where it would have been reasonable to expect that the act or omission would result in that

loss, damage, dispute or legal proceedings.

7. Disputes with Us or the Appointed Adviser

We will not provide cover for any **Claim**, dispute or legal proceedings brought by **You** against:

- **Us**;
- the **Appointed Adviser;** or
- any person acting on behalf of either of them in connection with this **Policy**.

Please also refer to **General Condition 10 – Disputes Between You and Us**.

LEGAL AND REGULATORY MATTERS

8. Judicial Reviews and Challenges to Legislation

We will not provide cover for **Claims** arising from or relating to:

- Judicial Review proceedings;
- Coroner's Inquests;
- Fatal Accident Inquiries;
- Public inquires; or
- challenges to existing or proposed legislation or regulations or government policy.

9. Freehold, Leasehold and Rent Assessment Matters We will not provide cover for Claims relating to:

- the purchase of a freehold interest;
- the acquisition, extension, variation or enfranchisement of a leasehold interest;
- **Rent** registration;
- **Rent** assessment;
- **Rent** review matters; or
- proceedings before the First-tier Tribunal (Property Chamber), the Upper Tribunal

(Lands Chamber), or any successor body exercising equivalent functions in relation to

any of the matters listed above.

EXTERNAL AND CATASTROPHIC EVENTS

10. War and Nuclear Risks

We will not provide cover for any loss, damage, cost, expense, liability or **Claim** arising directly

or indirectly from, resulting from, contributed to by, or connected with:

- war, invasion, acts of foreign enemies, civil war, hostilities, or military action, whether

war has been officially declared or not;

- rebellion, revolution, insurrection, or the seizure of power by military or unlawful

means;

- property being confiscated, nationalised, requisitioned, damaged or destroyed by, or

under the order of, any government, public authority or local authority;

- ionising radiation or radioactive contamination;
- nuclear fuel, nuclear waste or nuclear material;
- the radioactive, toxic, explosive or other hazardous properties of any nuclear installation, reactor, device, equipment or component;
- any nuclear weapon or device involving nuclear fission, fusion or a similar nuclear

reaction; or

- pressure waves caused by aircraft or other aerial devices travelling at or above the

speed of sound.

This exclusion applies regardless of any other cause, event or circumstance that contributes

concurrently or in any sequence to the loss, damage, cost, expense, liability or **Claim**.

11. Terrorism

We will not provide cover for any loss, damage, cost, expense, liability or **Claim** arising directly

or indirectly from, resulting from, contributed to by, or connected with:

- any act of terrorism; or
- any action taken to prevent, control, suppress, respond to, or otherwise deal with any

act of terrorism.

For the purposes of this exclusion, "**terrorism**" means any actual or threatened act involving

the use of force, violence or intimidation by any person or group, acting alone or on behalf of,

or in connection with, any organisation or government, for political, religious, ideological or

similar purposes. This includes acts intended to influence any government or to create fear

among the public, or any section of the public.

This exclusion applies regardless of any other cause, event or circumstance that contributes

concurrently or in any sequence to the loss, damage, cost, expense, liability or **Claim**.

If any part of this exclusion is found to be invalid, illegal or unenforceable, the remaining

provisions shall continue in full force and effect.

12. Financial Sanctions

We will not provide any payment, service, benefit or cover under this **Policy** to the extent that

doing so would expose **Us,** the **Administrator,** the **Appointed Adviser** or any other service

provider acting on **Our** behalf to any sanction, prohibition or restriction imposed by:

- the United Nations;
- the United Kingdom;
- the European Union; or
- any other sanctions regime that applies to **Us**.

This exclusion applies regardless of any other provision of this **Policy**.

13. Pollution or Contamination

We will not provide cover for any loss, damage, cost, expense, liability or **Claim** caused by,

resulting from, or connected with Pollution or Contamination.

For the purposes of this exclusion, **"Pollution or Contamination"** means the presence,

release, discharge, escape or spread of any solid, liquid, gas, chemical or biological

substance that causes damage, injury or contamination.

This includes contamination caused by:

- chemicals, fumes, smoke, vapours or waste materials;
- biological or chemical agents;
- dust, soot or other airborne particles; or • any substance that pollutes, contaminates, impairs or makes property unsafe or unfit

for use.

14. Asbestos

We will not provide cover for any loss, damage, cost, expense, liability or **Claim** caused by, or

resulting from, or connected with asbestos or any material containing asbestos.

This exclusion applies even if asbestos is only one of several causes of the loss, damage,

cost, expense, liability or **Claim**.

15. Cyber Risks and Electronic Data

We will not provide cover for any loss, damage, cost, expense, liability or **Claim** arising directly

or indirectly from:

- the loss, corruption, alteration, destruction or unavailability of electronic data;
- any reduction in functionality, loss of use, failure, interruption or security breach

affecting any computer system, software, hardware, network, electronic equipment or

data storage device; or

- any computer virus, malware, ransomware, malicious software, unauthorised code or

other harmful program or instruction.

This exclusion applies regardless of any other cause, event or circumstance that contributes

concurrently or in any sequence to the loss, damage, cost, expense, liability or **Claim**.

This exclusion does not apply to the ordinary use of electronic communications, electronic

records or electronically stored information as evidence in support of a **Claim**.

For the purposes of this exclusion:

"Electronic data" means information, facts, concepts, programs or instructions stored,

transmitted or processed electronically, including data held on computers, mobile devices,

storage media, networks or cloud-based systems.

"Computer virus" means any program, code or instruction designed to damage, disrupt,

alter, corrupt, delete or interfere with electronic data, software, hardware, computer systems

or networks, whether introduced deliberately or accidentally.

GENERAL CONDITIONS

The conditions in this section apply to all parts of this **Policy**. They are in addition to any

specific conditions that apply to individual sections of cover and apply throughout the **Period**

of Insurance.

Please read these conditions carefully.

If **You** do not comply with a General Condition, **We** may, where permitted by law and

proportionate to the breach:

- decline a **Claim**;
- stop supporting a **Claim**; or
- cancel this **Policy**.

We may recover payments already made under this **Policy** only where:

- this **Policy** specifically allows **Us** to do so;
- the payment was obtained through fraud, dishonesty or deliberate misrepresentation;

or

- the breach directly caused the payment to be made or increased the amount paid.

We will not seek repayment of amounts already paid where the breach was unrelated to the

payment or did not affect the amount paid.

1. Actions of the Letting and Property Managing Agent

You remain responsible for complying with the terms and conditions of this **Policy**. If **You**

appoint a **Letting or Property Managing Agent** to act on **Your** behalf in connection with the

Insured Property, **We** may take account of information they provide, receive or become

aware of when carrying out the duties **You** have authorised them to perform.

You must take reasonable steps to make them aware of any relevant **Policy** requirements

and to obtain information reasonably required under this **Policy**.

2. Your responsibilities

What You need to do

You must:

- comply with the terms and conditions of this **Policy**;
- take reasonable steps to prevent losses and minimise the likelihood of a **Claim**;
- avoid unnecessary costs and expenses;
- provide complete, accurate and honest information when requested; and
- provide any supporting evidence reasonably requested by **Us**.

Supporting evidence may include:

- invoices;
- receipts;
- bank statements; or
- other relevant documents.

Where a **Claim** includes expenditure incurred by **You, We** may require invoices, receipts or other evidence issued by a third-party contractor, supplier or service provider before making payment.

Unless **We** agree otherwise, requested documents must be provided within **14 days** of **Our** request, or as soon as reasonably practicable thereafter.

3. Appointing an Adviser

How We will handle the claim

If **We** accept a claim, **We** will normally appoint an **Appointed Adviser** in accordance with the **Making a Claim** section of this **Policy**.

Your Right to Choose an Adviser

If legal proceedings need to be issued, or a conflict of interest arises, **You** may choose a suitably qualified adviser to act on **Your** behalf.

Any adviser chosen by **You** must agree to **Our Standard Adviser's Terms of Appointment.**

We will not pay more than **We** would have paid to **Our** chosen **Appointed Adviser**.

4. Conduct of a Claim

What You Need to Do

You must:

- co-operate fully with **Us** and the **Appointed Adviser**;
- follow any reasonable instructions given by **Us** or the **Appointed Adviser** in relation to the **Claim**;
- attend meetings, hearings or appointments if reasonably requested;
- provide information, documents and evidence reasonably requested by **Us** or the **Appointed Adviser**;
- keep **Us** informed of any developments that may affect the **Claim**; and
- authorise the **Appointed Adviser** to provide **Us** with information relating to the **Claim**,

where reasonably requested.

You must not:

- do anything that delays, obstructs or materially prejudices the **Claim**; or
- incur **Adviser's Costs and Expenses** or other costs without **Our** prior agreement,

unless urgent action was reasonably required to protect **Your** position and **We** subsequently agree that those costs were reasonably incurred.

Where relevant information or documents are held by a **Letting or Property Managing Agent** acting on **Your** behalf, **You** must take reasonable steps to obtain and provide them to **Us** or the **Appointed Adviser**.

How We Will Handle the Claim

We may:

- communicate directly with the **Appointed Adviser**;
- obtain information from the **Appointed Adviser** regarding the **Claim**;
- recover from **You** any additional **Adviser's Costs and Expenses** or other costs reasonably incurred as a direct result of **You** pursuing, settling, compromising or withdrawing a **Claim** without **Our** agreement; and
- stop supporting a **Claim** where permitted by this **Policy**.

Where support for a **Claim** is withdrawn, **We** will continue to pay any **Adviser's Costs and Expenses** or other costs that were authorised before that decision.

We may stop supporting a **Claim** and, where permitted elsewhere in this **Policy**, recover any costs previously paid where:

- **You** dismiss the **Appointed Adviser** without **Our** agreement and without good reason;
- the **Appointed Adviser** ceases to act with **Our** agreement because of **Your** conduct or failure to co-operate; or
- **You** fail to follow reasonable instructions from **Us** or the **Appointed Adviser,** and that failure materially and adversely affects the **Claim**.

5. Reasonable Prospects of Success

This condition applies only to those sections of cover that expressly require **Reasonable**

Prospects of Success.

Where **Reasonable Prospects of Success** are required, cover will only continue while **Reasonable Prospects of Success** exist.

We, or a suitably qualified expert acting on **Our** behalf, will assess whether **Reasonable Prospects of Success** exist and may review that assessment at any time during the **Claim**.

When assessing **Reasonable Prospects of Success**, **We** may consider whether the likely

Adviser's Costs and Expenses are proportionate to the nature, value and likely outcome of

the **Claim.**

In assessing proportionality, **We** may consider:

- the amount in dispute, where applicable;
- the likely **Adviser's Costs and Expenses** required to pursue, defend or continue the

Claim;

- the complexity of the legal and factual issues involved;
- the likelihood of achieving a successful outcome;
- the likely value of any judgment, award, settlement or other remedy;
- the prospects of recovering any judgment, award or settlement obtained;
- the practical, commercial or legal significance of any non-monetary remedy sought;

and

- whether a reasonable person without the benefit of insurance would pursue, defend or
- continue the matter.
- For the purposes of this condition, a non-monetary remedy may include:
- obtaining **Vacant Possession** of the **Insured Property**;

- preventing or remedying nuisance, trespass or anti-social behaviour;
- enforcing compliance with a contractual obligation;
- defending criminal proceedings;
- responding to a tax enquiry; or
- securing any other legal or practical outcome that has substantial value to **You**.

A **Claim** will not be treated as disproportionate solely because the estimated **Adviser's Costs**

and Expenses exceed the amount in dispute where the remedy sought has substantial

practical, commercial or legal value.

Where the estimated **Adviser's Costs and Expenses** exceed the amount in dispute, **We** may

take this into account when assessing whether continued support for the **Claim** is reasonable

and proportionate. However, this will not of itself determine whether cover continues.

Before declining or discontinuing support solely because the estimated **Adviser's Costs and**

Expenses are disproportionate, **We** will consider:

- the **Claim's Reasonable Prospects of Success**;
- the likely outcome of the **Claim**;
- the prospects of recovering the amount claimed or obtaining another meaningful

remedy;

- the overall circumstances of the **Claim**; and
- whether it is fair, reasonable and proportionate to continue support despite the

estimated **Adviser's Costs and Expenses** exceeding the amount in dispute.

If **We** reasonably conclude that further support would be disproportionate having regard to

the factors above, **We** may:

- decline to accept the **Claim**;
- stop supporting the **Claim**; or
- limit support to such steps as **We** reasonably consider proportionate.

If **We** conclude that **Reasonable Prospects of Success** no longer exist, **We** may stop

supporting the **Claim** and will not be responsible for any **Adviser's Costs and Expenses**

incurred after that date.

Any disagreement regarding **Reasonable Prospects of Success** or proportionality will be

dealt with in accordance with the Independent Legal Opinion procedure set out in **General**

Condition 10 - Independent Legal Opinion.

6. Settling a Claim

What You Need to Do

You must tell **Us** as soon as reasonably practicable if:

- **You** receive an offer to settle a **Claim**; or
- another person or party makes an offer that may affect the **Claim**.

You must not accept a settlement without **Our** agreement.

How We Will Handle the Claim

If **You** reject a fair and reasonable settlement offer, **We** may stop supporting the **Claim** and

refuse to pay any further **Adviser's Costs and Expenses** or other **Claim** payments incurred

after the date of that rejection.

Where appropriate, **We** may settle a **Claim** by paying the reasonable value of the **Claim**

instead of pursuing, defending or continuing legal proceedings.

If **We** do this, **We** may take over the recovery of that amount from another party in **Your**

name.

You must provide any information or assistance reasonably required to support that

recovery.

7. Recovery of Costs and Unauthorised Costs

You must take all reasonable steps to recover any **Adviser's Costs and Expenses**, legal costs

or other amounts that may be recoverable from another party.

Any amounts recovered that relate to **Adviser's Costs and Expenses** paid by **Us** must be paid

to **Us** to the extent of **Our** payment.

If **We** reasonably request it, **You** must instruct the **Appointed Adviser** to have any **Adviser's**

Costs and Expenses assessed, audited or reviewed.

If **Adviser's Costs and Expenses** or other costs are incurred without **Our** prior authorisation,

We may refuse to pay those costs.

However, **We** will not refuse payment solely because prior authorisation was not obtained

where:

- authorisation was requested within a reasonable time, and **We** did not respond within

a reasonable time; or

- it was not reasonably practicable to obtain authorisation before the costs were

incurred.

Where legal costs are awarded by a court, tribunal or other competent body, **You** must take

all reasonable steps to recover those costs.

Where **You** are entitled to recover legal costs, **You** must take reasonable steps to recover

those costs.

Any legal costs recovered that relate to **Adviser's Costs and Expenses** paid by **Us** must be

paid to **Us** to the extent of **Our** payment.

8. Appeals

What You Need to Do

If:

- **You** wish to appeal a decision; or
- another person or party appeals against a decision,

You must notify **Us** as soon as reasonably practicable and, where possible, no later than **10**

days before the deadline for lodging the appeal.

How We Will Handle the Claim

We will only support an appeal where **Reasonable Prospects of Success** continue to exist. **9. Other Insurance**

What Happens If Other Cover Exists

If another insurance policy covers all or part of the same **Claim** or would have done so had

this **Policy** not existed, **We** will only pay **Our** proportionate share of any costs, expenses or

Claim payment.

10. Independent Legal Opinion

How We Will Handle the Claim

We may require an independent opinion from a barrister or other suitably qualified expert

regarding:

- the merits of the **Claim**;
- the value of the **Claim**; or
- the **Reasonable Prospects of Success**; or
- whether it is reasonable and proportionate to continue supporting the **Claim** having

regard to the likely **Adviser's Costs and Expenses**, the remedy sought and the overall

circumstances of the **Claim**.

The party requesting the opinion, whether **You** or **Us,** will initially bear the cost.

If the opinion supports **Your** position and **We** agree the **Claim** should proceed, **We** will

reimburse the reasonable cost of obtaining that opinion.

If the opinion does not support **Your** position, **We** will not be responsible for the cost of

obtaining that opinion unless **We** agree otherwise.

11. Disputes Between You and Us

If a dispute arises between **You** and **Us** concerning this **Policy**, **You** should first follow the

Complaints Procedure.

Nothing in this **Policy** affects any right **You** may have to:

- refer a complaint to the Financial Ombudsman Service where eligible; or
- commence legal proceedings.

Where both parties agree after a dispute has arisen, the dispute may be referred to

arbitration.

Any arbitration agreement must be made separately and in writing after the dispute has

arisen.

12. Fraud, Dishonesty and Misrepresentation

You must provide honest, accurate and complete information when applying for, arranging,

amending, continuing or making a **Claim** under this **Policy**.

If **You**:

- make a fraudulent, dishonest or deliberately exaggerated **Claim**;
- deliberately or recklessly provide false or misleading information; or
- deliberately or recklessly provide false, inaccurate or misleading documents in

support of a **Claim**,

We may:

- refuse the **Claim**;
- stop supporting the **Claim**;
- recover any payments **We** have already made;
- treat this **Policy** as cancelled from the date of the fraudulent, dishonest or misleading

conduct;

- cancel this **Policy** in accordance with the cancellation provisions of this **Policy**; and
- share relevant information with fraud prevention agencies, insurers, regulators and

law enforcement authorities where permitted by law.

If **We** treat this Policy as cancelled from the date of the fraudulent, dishonest or misleading

conduct:

- no cover will apply in relation to the relevant **Claim**;
- **We** may recover any amounts paid in connection with that **Claim**; and
- no refund of premium will be due.

An honest mistake, administrative error or accidental inaccuracy will not, by itself, be treated

as fraud, dishonesty or misrepresentation for the purposes of this **Policy**.

Nothing in this condition affects any other rights or remedies available to **Us** under this **Policy**

or under applicable law.

13. Mid-Term Changes

You must tell the **Administrator** as soon as reasonably practicable if:

- an **Insured Property** is added to or removed from this **Policy**;
- ownership of an **Insured Property** changes;
- there is a change to a **Tenant**, **Guarantor** or **Tenancy Agreement**; or
- any information **You** have provided to **Us** changes and could affect cover under this

Policy.

Change of Ownership

If ownership of an **Insured Property** changes, cover for that **Insured Property** will end on the

date ownership changes.

Changes to Your Cover

When **You** notify **Us** of a change, **We** may:

- ask for further information or documents;
- amend the premium, terms, conditions or limits that apply to the affected **Insured**

Property;

- issue an updated **Policy Schedule** or **Endorsement**; or
- stop cover for the affected **Insured Property**.

If **We** stop cover for an **Insured Property**, **We** will tell **You** the date on which cover ends.

Any specific notification or eligibility requirements set out elsewhere in this **Policy** must also

be complied with.

14. Payment of Premium

You must pay the premium due under this **Policy** in accordance with the agreed payment

arrangements, whether as a single payment or by instalments.

The premium payable may change during the **Period of Insurance** where **Insured Properties**

are added, removed or otherwise amended in accordance with this **Policy**.

Payment of premium to the **Administrator** will be treated as payment to **Us**.

If any premium payment remains unpaid, **We** may take reasonable steps to recover the

amount due.

Where a **Claim** is payable and any premium payment remains outstanding, **We** may deduct

the outstanding amount from any amount payable under this **Policy**, where permitted by

law.

Nothing in this condition affects **Our** right to recover any unpaid premium or to cancel this

Policy in accordance with its terms.

15. Cancelling Your policy

Your right to cancel

You may cancel this **Policy** within **14** days of:

- the start date of the **Policy**; or
- receiving the **Policy** documents,

whichever is later.

To cancel, **You** must contact the **Administrator**.

If **You** cancel during the Cooling-Off Period and no **Claim** has been made and no

circumstance notified by **You** has subsequently become a **Claim** under this **Policy**, **You** will

receive a full refund of the premium paid.

No refund will be due where:

- a **Claim** has been made under this **Policy**; or
- a circumstance notified under this **Policy** has subsequently become a **Claim**.

After the Cooling-off Period

You may cancel this **Policy** at any time by contacting the **Administrator**.

Where premiums are paid by instalments, cover will continue until the end of the period

already paid for and no further instalments will be due.

You may be entitled to receive a refund of premium calculated in accordance with the

premium arrangement applicable to the **Policy** or the affected **Insured Property**, as

appropriate, for any period during which cover is no longer provided, less any administration

fee charged by the **Administrator** at the time of cancellation.

No refund will be due where:

- a **Claim** has been made under this **Policy**; or
- a circumstance notified under this **Policy** has subsequently become a **Claim**.

Removal of an Insured Property

You may request the removal of an **Insured Property** from cover at any time by notifying the

Administrator.

Removal of an **Insured Property** will not cancel this **Policy** and will not affect cover for any

other **Insured Property** insured under this **Policy**.

Cover for the removed **Insured Property** will cease on the date agreed by **Us** or the

Administrator.

The removal of an **Insured Property** from cover will not affect a **Claim** relating to that **Insured**

Property which:

- arose before cover ceased; and
- was notified in accordance with the terms of this **Policy.**

Any refund of premium relating to a removed **Insured Property** will be calculated in

accordance with the premium arrangements applicable to that **Insured Property**.

Our Right to Cancel

We may cancel this **Policy** in whole, or withdraw cover for a specific **Insured Property,** by

giving **You** at least **14 days'** written notice by email, post or any other communication

method agreed with **You**.

We may do so where there is a valid reason, including:

- non-payment of premium;
- failure to repay monies owed to **Us**;
- failure to co-operate with **Us** or the **Appointed Adviser**;
- failure to provide information or documents reasonably requested within a

reasonable period;

- a material failure to comply with the terms and conditions of this **Policy**;
- providing false, inaccurate or misleading information when applying for, arranging,

amending, administering, renewing or continuing cover under the **Policy**;

- fraud, dishonesty or financial crime;
- threatening, abusive, violent or seriously inappropriate behaviour towards **Us**, the

Administrator, or the **Appointed Adviser**;

- circumstances changing so that **We** can no longer provide cover; or
- withdrawal of this product from sale, continuation or renewal. Where **We** exercise **Our** right to cancel, **We** will explain the reason for cancellation unless **We**

are prohibited from doing so by law.

What Happens if We Cancel the Policy?

If **We** cancel this **Policy**:

- cover will continue until the cancellation date specified in **Our** notice, except where

this condition states that cover will end earlier; and

- any refund due will be calculated in accordance with the premium arrangements

applicable to this **Policy** and the terms of this **Policy**.

No refund will be provided where cancellation is due to fraud, dishonesty or deliberate

misrepresentation.

If cancellation is due to non-payment of premium, and **You** have been given a reasonable

opportunity to make payment, cover may end on the date specified in **Our** cancellation

notice.

Where a **Claim** has been made before the cancellation date, **We** will continue to deal with

that **Claim** in accordance with the terms and conditions of this **Policy**, unless cover is being

avoided because of fraud, dishonesty, deliberate misrepresentation or another legal

entitlement permitting **Us** to treat this **Policy** as invalid.

What Happens if We Withdraw Cover for an Insured Property?

If **We** withdraw cover for an **Insured Property**:

- cover for that **Insured Property** will end on the date specified in **Our** notice;
- cover for all other **Insured Properties** will continue unaffected unless **We** state

otherwise; and

- any refund due in respect of that **Insured Property** will be calculated in accordance

with the premium arrangements applicable to that **Insured Property**.

Claims Existing Before Cancellation or Removal from Cover

Cancellation of this **Policy,** or the removal of an Insured Property from cover, will not

automatically affect a **Claim** that:

- arose before cancellation or removal from cover; and
- was notified in accordance with the terms of this **Policy**,

unless cover is avoided due to fraud, dishonesty, deliberate misrepresentation or another

legal entitlement permitting **Us** to treat this **Policy** as invalid.

Any such **Claim** will continue to be administered in accordance with the terms and

conditions of this **Policy** until concluded.

16. Parties to this Insurance Contract

This **Policy** is a contract between **You** and **Us.**

You may appoint a **Letting and Property Managing Agent** to act on **Your** behalf in relation to

an **Insured Property** and this **Policy**, and **We** may accept information, notifications and

instructions from that **Letting and Property Managing Agent** as if they had been provided by

You.

Information known by a **Letting and Property Managing Agent** acting on **Your** behalf in

connection with the management of an **Insured Property** may be treated as known by **You**

for the purposes of assessing compliance with this **Policy**.

Any payment due under this **Policy** will be made to **You** unless **We** agree otherwise or are

required by law to make payment to another person. Payment made by **Us** will fully

discharge **Our** liability in respect of that payment.

LEGAL AND REGULATORY INFORMATION

This section explains the legal and regulatory information that applies to **Your Policy**.

1. Language of the contract

This **Policy** and all communications relating to it will be provided in English.

2. Governing Law and jurisdiction

Unless **We** agree otherwise in writing, this **Policy** is governed by the laws of England and

Wales.

References in this **Policy** to legislation include:

- equivalent legislation applying elsewhere within the **Territorial Limit**; and
- any amendment, replacement, re-enactment or successor legislation applying during

the **Period of Insurance.**

3. Right of Third Parties

Except as expressly provided by this **Policy,** no person other than **You** and **Us** has any right to

enforce any term of this **Policy**, including under the Contracts (Rights of Third Parties) Act

1999.

4. Financial sanctions

We will not provide any payment, service, benefit or cover under this **Policy** where doing so

would expose **Us,** the **Administrator,** the **Appointed Adviser** or any other service provider

acting on **Our** behalf to any applicable sanction, prohibition or restriction.

Where sanctions requirements prevent **Us** from continuing cover, **We** may immediately

suspend or cancel this **Policy** by giving written notice.

Any refund of premium will be subject to applicable law and the terms of this **Policy**.

Please also refer to **General Exclusion 12**. – **Financial Sanctions**. **5. Recovery Rights**

Where **We** make a payment under this **Policy** and another person or party may be

responsible for the loss, **We** may take action in **Your** name to recover all or part of that

payment.

You must provide all reasonable assistance **We** require in connection with any recovery

action.

6. Recovery of Costs

If legal costs, **Adviser's Costs and Expenses** or other amounts paid by **Us** are later recovered

from another person or party, those recovered amounts must be repaid to **Us** to the extent of

Our payment.

For details of **Your** obligations and **Our** rights in relation to the recovery of costs, please refer

to **General Condition 7 – Recovery of Costs and Unauthorised Costs**.

MAKING A CLAIM

This section explains what **You** need to do if **You** wish to make a **Claim** under this **Policy**.

These requirements form part of the terms and conditions of this **Policy**. Failure to comply

with them may affect the availability of cover, the amount payable under a **Claim**, or in some

circumstances **Our** ability to support the **Claim**.

Please note, **We** can only consider claims if the premium has been paid.

1. Making a claim

If **You** become aware of a dispute, incident or circumstances affecting the **Insured Property**,

You should first check whether the matter is covered under the relevant section of this **Policy**.

To make a **Claim**, complete the online **Claim** form at:

Landlords Rent & Legal Protection Claim Form – The Lettings Hub

Alternatively, contact the **Claims Service Provider** using one of the following methods:

- **Telephone:** 0343 2270 855
- **Email:** thelettingshub@mplclaims.com

When contacting **Us**, please tell **Us Your Policy** number and any claim reference number that

has been issued to **You**.

Phone lines are open:

- Monday to Friday: 9:00am to 5:00pm (not bank or public holidays)

Once **Your Claim** has been received, the **Claims Service Provider** will confirm what

information and documentation are required to assess it.

Telephone call recording

For everyone's protection, telephone calls may be monitored and recorded for training,

quality assurance and fraud prevention purposes. **2. Claims-Made Basis**

This **Policy** operates on a claims-made basis.

A **Claim** must be notified to **Us** during the **Period of Insurance** or, if this **Policy** has expired,

been cancelled, or otherwise ended, within **14 days** after the cover ends, unless a different

notification period is expressly stated elsewhere in this **Policy**.

Where cover for an **Insured Property** has ended, a **Claim** relating to that **Insured Property**

must be notified before cover ends or within **14 days** after cover ends for that **Insured**

Property, unless a different notification period is expressly stated elsewhere in this **Policy**.

Where a section of this **Policy** contains a specific notification requirement, that requirement

must also be complied with.

Please also refer to **General Exclusion 1 – Known Circumstances and Prior Events**.

The expiry, cancellation or ending of this **Policy,** or the ending of cover for an **Insured**

Property, will not affect a **Claim** that:

- arose before cover ended; and
- was notified in accordance with the terms and conditions of this **Policy**. **3. Notification Requirements**

You must notify **Us** as soon as reasonably practicable if **You** become aware of any dispute,

incident or circumstance that may give rise to a **Claim** under this **Policy**.

Late notification may affect **Our** ability to assess, investigate or support a **Claim**. **We** may

reduce the amount payable under a **Claim** or decline a **Claim** where the delay has materially

prejudiced **Our** ability to deal with the **Claim** or has materially increased the cost of the

Claim.

Please also refer to:

- **Condition 2 – Claims Made Basis**;
- The definition of **Notification Date**; and
- **General Exclusion 1 – Known Circumstances and Prior Events**.

4. Information We will may Require

To assess a **Claim, We** may ask **You** to complete a **Claim** form and provide any information

or documents reasonably required.

We cannot fully assess, accept or pay a **Claim** until **We** have received the information and

documents reasonably needed to do so.

Depending on the nature of the **Claim**, **We** may request documents such as:

- the completed **Claim** form;
- the **Policy Schedule**;
- the **Tenancy Agreement** and any renewal or variation agreements;
- **Deposit** protection documentation;
- Prescribed Information and evidence of service;
- inventories, check-in reports, interim inspection reports and check-out reports;
- EPC documentation;

- Gas Safety Certificates and evidence of service;
- the "How to Rent" guide and evidence of service;
- Electrical Installation Condition Reports (EICRs);
- **Rent Schedules** showing **Rent** due and any arrears;
- references relating to a **Tenant** or **Guarantor**;
- evidence of compliance with **Right to Rent Requirements**;
- any **Guarantor** agreement;
- any required property licences;
- contact details for relevant parties; and
- evidence of attempts to contact a **Tenant** or **Guarantor.**

We may also request any other information or documents reasonably required to assess,

investigate or manage a **Claim**.

If information or documents reasonably requested by **Us** are not provided within a

reasonable period, **We** may delay assessing the **Claim** until they are received.

Where missing information materially affects **Our** ability to determine whether cover is

available under this **Policy**, **We** may decline the **Claim**.

If **We** have made reasonable attempts to obtain information or documents and **You** have not

responded for a continuous period of **90 days**, **We** may close the **Claim**. Before doing so, **We**

will give **You** at least 14 days' written notice and an opportunity to provide the outstanding

information.

We will not decline or close a **Claim** solely because information has not been provided within

a requested timeframe where the delay is outside **Your** reasonable control and **You** have co-

operated with **Our** reasonable requests. In those circumstances, **You** must provide the

information as soon as reasonably practicable.

5. Working with the Appointed Adviser

Where cover applies, **We** will normally appoint an **Appointed Adviser in accordance with**

General Condition 3 – Appointing an Adviser.

You must:

- co-operate fully with the **Appointed Adviser**;
- provide all information and documentation reasonably requested;
- attend meetings, hearings or appointments where reasonably required;
- not unreasonably refuse mediation or other appropriate forms of dispute

resolution; and

- keep **Us** informed of any developments that may affect the **Claim**.

If the **Appointed Adviser** recommends a reasonable settlement, **You** must not unreasonably

refuse that recommendation.

If **You** unreasonably refuse mediation, alternative dispute resolution or a reasonable

settlement proposal, **We** may stop supporting the **Claim** and refuse to pay any further

Adviser's Costs and Expenses or other authorised costs incurred after that decision.

Any disagreement regarding **Reasonable Prospects of Success** will be dealt with in

accordance with **General Condition 10 – Independent Legal Opinion**.

6. Reasonable Prospects of Success

The requirements relating to **Reasonable Prospects of Success** are set out in **General**

Condition 4 – Reasonable Prospects of Success.

Where a section of cover requires **Reasonable Prospects of Success**, cover will continue only

while **Reasonable Prospects of Success** exist.

If there is a disagreement about whether **Reasonable Prospects of Success** exist,

the procedure set out in **General Condition 10 – Independent Legal Opinion** will apply.

7. If Your claim is Not Covered

If **We** decide that a **Claim** is not covered, **We** will explain the reasons for **Our** decision.

Where appropriate, **We** will explain any review, appeal or complaints procedure available to

You.

Any costs incurred in pursuing alternative courses of action will remain **Your** responsibility

unless **We** agree otherwise in writing.
